DETAILED ACTION

Allowable Subject Matter

1. Claims 1-3, 6-15, and 17-22 are allowed.
2. The following is an examiner's statement of reasons for allowance: Applicants claim a device setting apparatus comprising a voice input unit that converts an input voice to a voice signal, a voice recognition unit that recognizes a voice corresponding to said voice signal converted by said voice input unit, a storage that stores multiple device setting information associated with a single voice, a setting unit that reads multiple device setting information corresponding to said voice recognized by said voice recognition unit from said storage and performing multiple device setting for setting an internal or external device state in response to said read multiple device setting information, a registration unit that registers multiple device setting information associated with a new voice in said storage, a display that displays a plurality of words corresponding to a registrable voice, and a selector that selects a word corresponding to a voice to be registered from said plurality of words displayed on said display, wherein said registration unit registers said word selected by said selector in said storage in association with multiple device setting information. The cited prior art alone or in combination fails to fairly disclose or suggest the claimed combination of features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
